CAN I WORK IF I BECOME A STUDENT?

Yes!

Many of our students work during the school year. Our schedule allows for students to work while attending.

Please be aware while planning your work schedule:

- Students will be assigned to a serving team which will help setup and run public services. This will require 3-8 hours/week in addition to the listed school schedule. Specific times and schedules will be provided once assigned to a team.
- Students will be helping run the annual Jesus event in December. This includes preparation meeting in advance and long days during the event for setup and tear down.

DOES THE SCHOOL ACCEPT INTERNATIONAL STUDENTS?

At this time, we can not accept international students, but we are hoping to change that in the future. Jesus School Online is a wonderful opportunity for you to join us if you are an international student.

ARE STUDENT LOANS OR FINANCIAL AID AVAILABLE?

Because Jesus School is non-accredited, students raise their finances by either working before coming to school or having friends, family, church members or churches support them. We believe that God is more than able to provide the resources for you to attend. Seek Him about your interest in Jesus School and believe that He is directing your steps and can provide the resources necessary to attend.

FUNDRAISING

We encourage you to create a video to post on your social media handles of your acceptance to Jesus School. Also, share about your heart and why you feel called to spend the next school year with us. This is also a great opportunity to share your fundraising needs for tuition!

WHERE SHOULD I LIVE?

COST OF LIVING

When attending Jesus School you will be responsible for your own housing arrangements. The average rent price for an apartment is \$1,100.

PLAN AHEAD

If you are moving to the area to attend Jesus School, we recommend planning ahead. This will enable you to be more financially and emotionally prepared. Failing to plan ahead and research housing opportunities can put you in unsafe, unfair, and/or emotionally or spiritually unhealthy conditions.

DO YOUR RESEARCH

Research the area you are moving into and the people you are housing with. If possible, make a personal visit before making any binding agreements. This might entail video calls, arriving earlier before classes begin, or making a preliminary trip.

PREFERRED AREAS TO LIVE

Our school is located in Orlando. Students generally prefer to live in more centrally located areas such as Longwood, Lake Mary, Maitland, Winter Park, Altamonte Springs, or Apopka.

ASK QUESTIONS

Whenever considering a housing arrangement, make sure you go through all the details to ensure that it is the right decision for you.
